

NEWS FROM CLIMABOROUGH

The results of phase 2 of the CLIMABOROUGH Tender are out

During the whole year 2023, CLIMABOROUGH has worked in collaboration with the cities of Athens, Cascais, Differdange, Grenoble-Alpes, Ioannina, Maribor, Sofia and Torino, to launch a call for tender to ask innovators to propose climate solutions on various fields.

Globally, **38 applications participated to the second phase.**

The results of this latest phase of our call for tender are now OUT, the successful applicants are now invited to send us a full technical offer by April 15, 2024 at 23.59 Brussels time.

CLIMAWEBINARS Join our community of practices and foster urban innovation!

In which way do cities applying for the 100 "Climate Neutral and Smart Cities" mission and preparing their Climate City Contract work consistently across different scales? How are they putting together a wider strategic framework, relating long-term visions, planning tools, daily operations and concrete action? How do CLIMABOROUGH solutions fit within the cities' broader neutrality agendas?

The first webinar of the Climawebinar series on Climate Neutrality Strategies to pilot solutions strived to answer these questions. The cities of Maribor (Slovenia), Grenobles-Alpes Metropole (France), Valladolid (Spain) and Differdange (Luxembourg) showcased their ongoing strategies. [\[READ MORE\]](#)

Maribor, a climate-neutral city

Given the ongoing world emergency, the current policies and orientations of the European Union and the fact that Europe is moving into a new model of energy development, the City of Maribor is striving to increase its ambitions in the area of transition to 2030 carbon neutrality in accordance with European guidelines for achieving neutrality by 2050 at the latest. The city explains their strategy to achieve this result. [\[READ MORE\]](#)
