- as prescribed by paragraph 2.7 “Number of lots and maximum number of awarded tenders” of the Tender Regulations, only the two best ranked applications (if available) per lot can be awarded, namely the following:

Application name	Lot name	Score attributed to the Technical Offer	Score attributed to the Financial Offer	Total score
232 – Traccia-TO	Torino	63	30	93
195 – Theoremus Park with Me	Sofia	60	30	90

225 – SIGNORA Smart parking ...	Sofia	54	12	66
222 – SCANTEC GmbH	Maribor	64	0	64

- The above ranking is only provisional, given the need to carry out, before the Innovation Partnership Agreement with ANCI Toscana can be signed, a set of legal and administrative checks and audits on the statements provided by each economic operator (single or associate) during the various phases of the tender procedure;

Take the following decisions:

- To approve the provisional ranking of received applications, as per the previous tables;
- To promptly notify the 16 economic operators (single or associate) who have not been awarded, not only of the outcome of the evaluation, but also of the standstill period of 20 calendar days, foreseen by par. 7.2 of the Tender regulations, during which they will have the possibility to challenge the award decision before any contract is entered into;
- To notify the 15 provisionally awarded economic operators (single or associate) of the imminent start of the legal and administrative checking and auditing procedure, and of the detailed list of documents to be provided by them;

- To not proceed to request such documentation from the economic operators established in Italy, as those checks and audits will be carried out directly by the contracting authority in collaboration with the competent public bodies and agencies;
- To propose, as a faculty not as an obligation, the initiation of the same checks and audits also to the economic operators (single or associate) having submitted the proposal ranking third in each lot (if available), in order to avoid any delay in the finalisation of all the Innovation Partnership Agreement signatures;
- To publish this decree on the CLIMABOROUGH website.
