I, the undersigned Simone Gheri, Director General of Anci Toscana

- in my position of Single Responsible Person (RUP in Italian language) for the aforementioned public procurement procedure, as stipulated in the Tender documentation published on 26 March 2025 on TED – the online Supplement of the Official Journal of the European Union – as well as on the official website of the CLIMABOROUGH project in a dedicated section available at: <https://climaborough.eu/public-procurement/follower-cities-climaborough-tender/>

Whereas:

- On 30 May 2025 at 23:59 the first phase of the Innovation Partnership has expired;
- By the deadline, 37 economic operators, single or associate, have validly submitted their candidatures to be invited to submit a bid for one or more of the 5 tendered lots, as requested by the Tender Regulations (Annex 1 to the Contract Notice) using the GoodGrants™ electronic submission platform described in Annex 2 to the Contract Notice;
- It is now necessary to evaluate the received candidatures, each accompanied by a number of attachments, with the aim of shortlisting those demonstrating to hold all the requisites to be invited to the next Phase, and in case of a number of applications exceeding the maximum threshold of 6 per lot, rank them according to the criteria stated in Annex 1 to the Contract Notice, to identify the best 6 of each group;
- According to the Tender Regulations the indicative deadline for communicating the evaluation results to the successful candidates is the end of June, 2025;
- It is therefore necessary to appoint the members of the Evaluation Committee for the first phase of the Innovation Partnership procedure, with a mandate limited in time and scope to the preceding mentions and provisions;
- The Tender Regulations do not contain any prescription on the number and profiles of the members of the Evaluation Committee;
- It is however necessary to assess, prior to the appointment, the level of knowledge and expertise of the candidate members, as well as the absence of any conflict of interest;
- The following list of candidate members has been formulated in agreement with the Cities being partners of the CLIMABOROUGH project:

Name	Partner Organization

- Each of the above candidates has accepted the candidature, providing a CV and a declaration of absence of conflicts of interest, also including the acknowledgement that no remuneration is foreseen for the tasks involved. Both documents are stored in a secure archive for the records and to be displayed in case of request;

Take the following decisions:
