

Decree of the Director General n. 259/25/I of 11 November 2025

Start of the evaluation of the third phase of the Innovation Partnership entitled “Building green and climate neutral city hubs across European cities” – contract notice 300530-2025 changing the previous version 193321-2025 – published under the framework of the CLIMABOROUGH project on the OJ S 90/2025 of 12/05/2025 and earlier on the OJ S 60/2025 of 26/03/2025.

I the undersigned Simone Gheri, Director General of Anci Toscana

- In my position of Single Responsible Person (RUP in Italian language) for the aforementioned public procurement procedure, as stipulated in the Tender documentation published on 26 March 2025 on TED – the online Supplement of the Official Journal of the European Union – as well as on the official website of the CLIMABOROUGH project in a dedicated section available at the following URL: <https://climaborough.eu/public-procurement/follower-citiesclimaborough-tender/>

Whereas

- With my previous Decree No. 212/25/I of 29 September 2025, I approved the list of the 22 economic operators to be invited to the third phase of this competition, as they met the minimum requirements specified in the Call for Tender (List B of the Decree);
- During the week between 15 and 19 September, a bilateral negotiation meeting had been held with each of them, with the purpose of improving the quality of their Technical Offer above the minimum requirements of the Call;
- Each economic operator featured on that List B was sent an email inviting to resubmit the same or a modified Technical Offer, accompanied by a Financial Offer, no later than Friday, October 31st, 2025 at 23:59 CET using the GoodGrants™ platform;
- The following applications were received by the deadline:

- Comparing the above list of applications with the List B in my Decree No. 212/25/I of 29 September 2025 the No. 502 – “Scaling citizen climate action through a behaviourally informed digital platform” for the Issy-les-Moulineaux lot is missing, as the resubmitted application could not be retrieved on the GoodGrants™ platform;
- This complies with a communication received from the economic operator by e-mail on 29 October, stating their intention not to proceed any further with their participation in the current procedure;
- After the expiry of the deadline of 31 October 2025, the former members of the Evaluation Committee who participated in the negotiation meetings, were contacted again to verify their availability to serve also in the third phase of this competition;
- All of them accepted to be included again, under the same conditions of the previous appointment;

Take the following decisions:
